Begum Sultan Jahan Hall

Aligarh Muslim University

App costs — estimate

Figures below are estimates for about 400 students. They are not a fixed quote. Hosting is an India VPS so the app and its data stay in India and stay fast for campus use.

ONE-TIME

Item	Amount	Notes
App build	¹75,000	Can be paid in installments.
Google Play account	¹2,100	Once, for the hall's Play Store listing.

EACH YEAR

Item	Amount	Notes
India VPS (app + database)	¹15,000	About ¹1,200 a month.
Apple App Store account	¹8,500	Yearly membership for iPhone listing.
Parent texts (optional)	¹500	Only when a student is late. Can be tuned.

RUNNING TOTALS

YEAR 1

¹26,100

About ¹2,175 a month

EACH YEAR AFTER

¹24,000

About ¹2,000 a month

Year 1 includes the Play Store fee. Later years do not. The ¹75,000 build fee is separate from these running totals.

Parent texts: the hall can turn this on and set how it is used. It is not required for the app to run day to day.

Estimate only. Actual hosting and store fees can change with the provider and the exchange rate.
